**Part Number:** [0190270049](#)  
**Status:** **Active**  
**Overview:** [Application Tooling](#)  
**Description:** ATP Crimp Dies for the Tape Crimp Module and ATP-101 & 301 Press

**Documents:**  
[RoHS Certificate of Compliance \(PDF\)](#)

**General**

|                                |   |
|--------------------------------|---|
| Product Family                 | Application Tooling   |
| Series                         | 207126  |
| Comments                       | The Crimp Tape Module <a href="#">64016-2000</a> is a base unit that will work like an applicator in a Molex TM-3000 <a href="#">63801-7200</a> , <a href="#">63801-7300</a> industry standard crimp press or the Molex TM-4000 <a href="#">63801-7600</a> industry standard crimp press. The Crimp Tape Module will accept all ATP-301 and ATP-201 style crimp dies. This Crimp Tape Module will allow customers to process most of Molex's Mylar Tape product from 2AWG uninsulated and 4AWG insulated products and up. The Crimp Tape Module will NOT work in any other industry standard crimp press or wire process machine. These ATP-301 style die sets can be used in the older style suitcase presses. |
| Function                       | Crimp   |
| Geographic Area                | Global  |
| Level of Automation            | Semi-Automatic  |
| More Detailed Tech Information | <a href="mailto:applicationtooling@molex.com">applicationtooling@molex.com</a>  |
| Overview                       | <a href="#">Application Tooling</a>   |
| Product Name                   | ETC   |
| Tool Type                      | Crimp Module  |
| UPC                            | 800753040991  |
| Warranty Disclaimer            | CAUTION: Molex tooling crimp specifications are valid only when used with Molex terminals and tooling manufactured by Molex and sold by Molex or authorized distributors ("Molex Tooling"). When using tooling other than Molex Tooling with Molex specific connector systems listed in our ATS documents, the Molex tooling qualification does not apply and the responsibility for full qualification of the connector system is that of the customer. Molex accepts no liability for connector performance or tooling support where tooling other than Molex Tooling is used or where Molex Tooling is modified.   |
