## 01-281.022 - Illuminated pushbutton actuator

### 01-281.022 - Illuminated pushbutton actuator

*Attention: The preview is based on a sample product. This can differ from your current configuration.*

#### Mounting

Mounting cut-out                      Ø 16 mm  
Design                                      raised

#### Front

Front dimension                      18 mm x 18 mm  
Front shape                              square  
Front bezel colour                      black  
Front bezel material                      Plastic

#### Other Attributes

Weight                                      0,008 kg

#### Operating-/Indication part

Lens illumination                      illuminative

#### IP-Rating

Front protection                      IP40

#### Connection Method

Terminal                                      Solder 2.8 x 0.5 mm

#### Actuator

Switching action                      Maintained  
Housing colour                          black  
Housing material                      Plastic

#### Switching element

Switching system                      Snap-action switching element  
Contacts                                      1 NC + 1 NO  
Switching current                      5 A  
Contact material                          250 V AC  
Switching voltage

#### Function

Illuminated pushbutton
